

WE ARE HIRING

17 FULLY FUNDED PhD SCHOLARSHIPS

Research areas

Artificial Intelligence

Structural biology

Genomics

Computational biology

Molecular medicine

Health Data Science

Imaging

Our numbers

30

Research Groups

40+

Nationalities

80+

PhD Students

400+

Scientists

4.000+

SQM new Labs

More info on humantechnopole.it

Applications from
28/30 July 2026 through

PhDDADS
